TSUNAMI DESIGNED BY STEVEN SMITH

Features

A striking, bold and distinctive piece for reception foyers, lobbies, informal meeting areas and breakout spaces. Tsunami works in a modular way, ensuring flexibility and offering high levels of comfort.

Finishes

All moulded parts can be upholstered in a wide range of contract quality fabrics. Base frames are available in regal silver powder coating as standard or satin chrome as an option.

Certifications

Design: Steven Smith

Steven Smith graduated from Buckinghamshire College, High Wycombe in 1983 with an MA in Furniture Design, following his 3D Design degree from Birmingham Polytechnic. He gained valuable experience with the 'Crown Suppliers', before becoming a freelance designer in 1991.
