**BISON** DESIGNED BY SIMON PENGELLY

### Features

Bison is a highly stylish and distinctive tub chair design with characterful broad shoulders and a compact footprint.

For such a compact chair it provides a deceptively generous and comfortable sit, due in part to the subtle flexing of the arms, backrest and sprung seat. The moulded foam seat and back form, both elegant and striking, are enhanced by superb upholstery detailing.

### Finishes

The moulded foam seat and back form, both elegant and striking, are enhanced by superb upholstery detailing.

### Certification

### Design: Simon Pengelly

Simon graduated from Kingston Polytechnic with a BA (Hons) degree in Furniture and Related Product Design in 1988, having previously completed three years training at Rycotewood College. After honing his wide range of skills in well-known design studios, he founded Pengelly Design in 1993. Simon's affinity with and understanding of, materials and processes is fundamental to his approach, combined with a passionate desire to create accessible production furniture with 'soul'.
