

### Features

This fun and playful range can provide seating for up to four people and facilitates meeting and greeting in informal spaces.

Jaks works equally alone, or with its fun shapes interlocked and configured into exciting playful, tessellated patterns due to its modular nature and distinctive, graphic 'cross' shape.

This is a simple form and construction that economically provides seating for up to four people and facilitates meeting and greeting in informal spaces, or a comfortable seat for those who just want to take a break whilst also having somewhere to just perch their laptop for a while.
