

**FEATURES**

The 801 is a deep sofa with wonderfully shaped arms formed from injection-moulded foam. Spacious and boldly confident, its soft and luxurious interior intentionally contrasts with the clean exterior lines.

The Collection is available in a chair, Sette, chaise, corner lounge and coffee table.

**FINSIHES**

Cast aluminium leg. 801 Collection is also now available with a timber leg option. Optional foam or feather seat cushions. COM fabric.
