

ZENITH

KEITH MELBOURNE

GLASS COLLECTION DESIGNED BY KEITH MELBOURNE

**FEATURES**

Inspired by a newfound love of glassware, Keith Melbourne's new plastic furniture range for Zenith, The Glass Collection, pays tribute to iconic glass forms.

Comprising three stools, Latte, Cognac and Crystal, and the Champagne table. The collection is locally manufactured from durable, UV stable and fully recyclable Polyethylene. Detailed design and advanced tooling manufacture has produced a range of unique products with an exceptional level of detail.

This eclectic mix of oversized glassware brings something new to the plastic furniture market.

**FINISHES**

Manufactured from durable, UV stable and fully recyclable Polyethylene.

Latte & Crystal stool have an option of upholstered seat.  
Cognac stool can be fully upholstered.
